

Think you gotta LEAK???

**Let GC Home Inspection find it for
YOU**

The Leakalyzer measures water level changes to 1/10,000th of an inch. This sensitivity enables rapid identification of water loss that would otherwise only be noticeable over much longer observation periods.

**For just \$195 we will be able to
detect a leak and its location in as
little as 30 minutes.**

**Call Today 281-682-9558
Offer Expires August 31, 2020**

Employees of
Pasadena
Independent
School District
